### A Word of Appreciation!

Thank you to so many of you who supported the revival meetings during the past week. To those of you who made attendance a priority, I would like to say “thanks” and I know without question that God used the time in your life to encourage you and to give you direction. To many who prayed consistently (and are still praying), you helped lay the foundation for the time together. To those who participated in making certain our neighborhood heard about the revival, your efforts demonstrated your belief that people need to know the “good news.” To Debi Purdue and the Hospitality Committee, a special thanks for your gracious hospitality demonstrated especially during the continental breakfast. To the choir and to Leah and Carol, thank you for leading us in worship and utilizing the gifts God has given you for His glory. You helped us worship! To the Media team, thanks for making the extra effort to support the services consistently and for your willingness to go the extra mile to make certain that all is done well. To the youth, thanks for making attendance at the revival a priority – your participation and attendance encouraged us all! To the Sunday School teachers, thank you for allowing us to join together as one to study the Bible on Sunday morning as both a demonstration of unity centered on the Bible and an opportunity to be reminded of our responsibility as Christians to have “beautiful feet.” Also, thanks to the SS teachers who not only encouraged their classes to attend, but took the initiative to attend as well. To the Revival Planning Committee (Errol, John, Laura, Lori, and Thom), your work was significant as you did the planning and implemented the plan, and through it all you demonstrated Christlike servanthood. Thanks for your sensitivity to the Spirit as you planned and your willingness to put in a great deal of effort. In case anyone was left out, it was not intentional but I too express appreciation to you. But above all these, a word of thanksgiving is offered to God who truly visited among us during the time and turned a revival meeting into revival in the hearts of His children at MBC. May God’s work continue daily in our lives.

On the journey,

Don’t Forget to set your clocks back one hour next Saturday night.
